

PUBLIC NOTICE FOR APPOINTMENT OF NEW MAGISTRATE JUDGE

The Judicial Conference of the United States has authorized the appointment of a full-time United States magistrate judge sitting in the Missoula Division of the District of Montana. It is expected that the appointment will take effect on August 3, 2019.

The duties of the position are demanding and wide-ranging and include (1) conduct of most preliminary proceedings in criminal cases; (2) trial and disposition of misdemeanor cases; (3) conduct of various pretrial matters and evidentiary proceedings on delegation from a district judge, including settlement conferences; and (4) trial and disposition of civil cases upon consent of the litigants. The basic authority of a United States magistrate judge is specified in 28 U.S.C. § 636.

To be qualified for appointment an applicant must

- (1) be, and have been for at least five years, a member in good standing of the bar of the highest court of a state, the District of Columbia, the Commonwealth of Puerto Rico, the Territory of Guam, the Commonwealth of the Northern Mariana Islands, or the Virgin Islands of the United States, and have been engaged in the active practice of law for a period of at least five years (with some substitutes authorized);
- (2) be competent to perform all the duties of the office; be of good moral character; be committed to equal justice under the law; be patient and courteous; and be capable of deliberation and decisiveness;
- (3) be less than seventy years old; and
- (4) not be related to a judge of the district court.

A merit selection panel composed of attorneys and other members of the community will review all applicants, conduct interviews if necessary, and recommend to the district judges in confidence the five persons it considers best qualified. The court will make the appointment following an FBI full-field background investigation and an IRS tax check of the applicant selected by the court for appointment. The individual selected must comply with the financial disclosure requirements pursuant to the Ethics in Government Act of 1978, Pub. L. No. 95-521, 90 Stat. 1824 (1978) (codified at 5 U.S.C. app. 4 §§ 101-111) as implemented by the Judicial Conference of the United States.

The essential function of courts is to dispense justice. An important component of this function is the creation and maintenance of diversity in the court system. A community's belief that a court dispenses justice is heightened when the court reflects the community's racial, ethnic, and gender diversity. An affirmative effort will be made to give due consideration to all qualified applicants without regard to race, color, age (40 and over), gender, religion, national origin, or disability.

The current annual salary of the position is \$191,360. The term of office is eight years.
